25X1A9A Memo to:

*I spent two hours talking with  
the State nominee on 21 Feb. His  
initial reaction was that he  
was not an analyst and that  
was what I needed. I told him  
I could utilize his experience. He  
called me on 24 Feb to say that  
he tried his job where he was  
and that I would be hearing  
from Bill Hyland or his deputy  
Martin Parkman.*
